Rainforest Relations: Gender And Resource Use Among The ...

The way in which local communities in rain forest areas view and use forest resources amid changing socio-economic conditions is examined, as well as the different experiences of men and women in this respect. Issues concerning rain forest conservation and gender at an environmental and a more general level are discussed. These include deforestation in West Africa, people/forest relations, and...

Get this from a library! Rainforest relations : gender and resource use among the Mende of Gola, Sierra Leone. [Melissa Leach] -- Centering on the Mende-speaking people living around the Gola forest reserves in Sierra Leone, Rainforest Relations shows how local communities and individuals in rainforest regions use and view ...

Rainforest relations : gender and resource use among the ...

This book brings forest dwellers' own differentiated perspectives to current rainforest debates. After reviewing changing conservation agendas, and gender and environment approaches, it draws on detailed fieldwork to examine the importance of forest resources to local economy and society, and how dynamic gender relations condition women's and men's different environmental relations.
